

# Small Parcel Unified Shipping Suite

*Best practice shipping and ecommerce workflows for high volume fulfillment*

3PL Central's Small Parcel Shipping Suite offers warehouses ecommerce fulfillment workflows that empower them to process high order volumes in minutes with 100% order accuracy while saving thousands on carrier label fees.

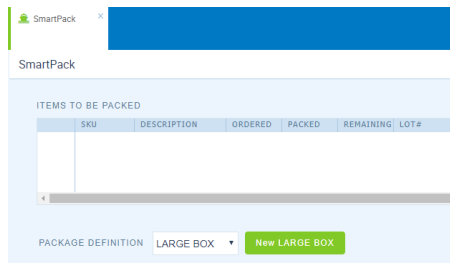

## SmartScan Mobile Scanning Solution

*Apply best practice receiving, picking, and packing workflows.*

- **100% Accuracy:** Enables barcode scanning to ensure correct product.
- **Boost Productivity:** Automate assigning and tracking staff tasks.
- **Gain Complete Visibility:** Track real-time inventory status.

**Receipt Management:** Create new receipts, edit existing receipts, and receive against ASN to offer complete visibility.  
**Flexible Picking:** Flexible options to pick single orders, multi-order batches, and pick-to-bin based on your workflow.  
**Efficient Packing:** Reduce packing time by up to 50% by offering regular order packing and pack from shelves.

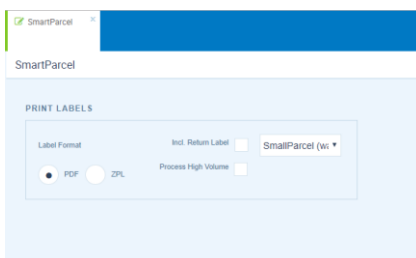

## SmartPack Accurate Order Packing

*Scan and verify each order accurately once, eliminating repetitive tasks.*

- **Ease of Use:** Automate label printing and order verification process.
- **Flexible Label Generation:** Customize shipping labels and cut costs.
- **Eliminate Manual Errors:** Avoid manual order entry errors.

**Automated Label Printing:** Generate package labels automatically while packing orders, saving 3 minutes per order.  
**Order Verification:** Verify orders are 100% correct by scanning barcodes for accuracy before shipping them.  
**Retail-Compliant:** Ensure labels follow industry-wide, UCC-128 label format that is required for many retailers.

## SmartParcel Shipping Automation

*Automate order processing with an all-in-one shipping & order platform.*

- **Batch Label Generation:** Print package label batches in minutes.
- **Reduce Carrier Fees:** Avoid overspending on carrier label printing.
- **Open Revenue Streams:** Integrate with multiple shopping platforms.

**High Volume Processing:** Process up to 1,000 package labels in a few minutes through a single print job.  
**Rate Shopping:** Save up to \$1,500 per month on carrier fees by automatically printing the least expensive labels.  
**Shipping Carrier Integrations:** Set up carrier integrations with USPS, UPS, and more in minutes.
